

# 2009 Editorial Calendar

◆ Readership Ad Study

Feature Reports	Equipment News Roundup	Equipment Focus	Facts at Your Fingertips	Solids Processing	Environmental Health & Safety	Instrumentation & Process Control	Show Previews	Special Sections	Industry Events
<b>January</b> Issue Closes 12/1 ◆									
Air Pollution Control Reactor Design	Predictive & Preventive Maintenance	Mixing & Blending	Column Internals	Mixing & Blending	Air Pollution Control	Predictive & Preventive Maintenance		Italian Section	InformexUSA 09, January 27-30, New Orleans, LA Interphex Puerto Rico, January 29-30, San Juan, PR
<b>February</b> Issue Closes 1/6									
Handling Nano Scale Materials Heat Exchangers	Water Supply & Reuse	Flow Measurement & Control	Piping	Selecting Conveyors (SP) Handling NanoScale Material	Drying	Personal Protection (EM) Water Supply & Reuse	Flow Measurement & Control	Interphex Preview	ARC Advisory Group's 13th Annual Forum February 2-5, Orlando, FL Chemtech & Pharma World Expo, February 12-16, Mumbai, India DaratechPlant, February 23-25, Houston, TX International Pump Users Symposium February 23-26, Houston, TX
<b>March</b> Issue Closes 2/3									
Industrial Gases Pressure Relief & Rupture Discs	Wireless Instrumentation & Networking	Milling & Grinding	Membranes	Milling & Grinding	Pressure Relief & Rupture Discs	Wireless Instrumentation & Networking	Achema Preview I	Literature Review	PITTCON, March 8-13, Chicago, IL Interphex, March 17-19, New York, NY NPRA, March 20-24, San Antonio, TX ACS Spring 2009 National Meeting & Exposition, March 22-26, 2009, Salt Lake City, UT
<b>April</b> Issue Closes 3/6 ◆									
Capital Equipment Procurement Pumps	Project Management & Handover	Temperature Measurement & Control	Energy Efficiency & Thermodynamics	Pneumatic Conveying (SP)	Controlling Electrostatic Charges (EM) Energy Efficiency & Thermodynamics	Project Management & Handover Temperature Measurement & Control	Achema Preview II		Interkama, April 20-24, Hannover, Germany PTX West, April 21-23, Anaheim, CA AIChE Spring National Meeting, April 26-30, Tampa, FL

Feature Reports	Equipment News Roundup	Equipment Focus	Facts at Your Fingertips	Solids Processing	Environmental Health & Safety	Instrumentation & Process Control	Show Previews	Special Sections	Industry Events
<b>May</b> Issue Closes 4/6									
Chemical Process Safety Solids Flow	Batch Processing	Heat Transfer	Process Control	Solids Flow	Chemical Process Safety	Batch Processing Process Control	Pump Symposium Review	Gulf Coast Section China Supplement	ACHEMA, May 11-15, Frankfurt, Germany Industrial Energy Technology Conference, May 12-15, New Orleans, LA WBF 2009 North American Conference, May 4-6, 2009, Durham, NC
<b>June</b> Issue Closes 5/5									
Distillation Flow Measurement	Seals & Gaskets	Pumps	Materials of Construction	Feeders: Troubleshooting & Selection (SP)	Environmental Regulations & Reporting (EM)	Flow Measurement		Literature Review Sealing Section	CPhI China, June 23-25, Shanghai, China Clean Fuel, June 18-21, New Orleans, LA AWMA's Annual Conference and Exhibition, June 16-19, 009, Detroit, MI
<b>July</b> Issue Closes 6/4 ♦									
Plant Revamps & Turnarounds Mixing	Separation Technologies	Weighing & Proportioning	Flow Measurement & Control	Weighing & Proportioning	Water Treatment (EM)	Plant Revamps & Turnarounds Flow Measurement & Control	Achema Review		SEMICON West 2009, July 14-16, 2009, San Francisco
<b>August</b> Issue Closes 7/7									
Particle Size Reduction Measuring Fluid Behavior	Safety Instrumentation	Boilers & Steam Handling	Adsorption	Particle Size Reduction	Safety Instrumentation Adsorption	Measuring Fluid Behavior Safety Instrumentation			ACS Fall 2009 National Meeting and Exposition, August 16-20, 2009, Washington, DC World Congress of Chemical Engineering, Aug. 23-27, 2009, Montreal

Chemical Engineering's Buyer's Guide Closes August 1

Feature Reports	Equipment News Roundup	Equipment Focus	Facts at Your Fingertips	Solids Processing	Environmental Health & Safety	Instrumentation & Process Control	Show Previews	Special Sections	Industry Events
<b>September</b> Issue Closes 8/6									
Process Control & Optimization Water Supply & Reuse	Plant Security	Valves	Heat Transfer	Testing & Modeling (SP)	Plant Security Water Supply & Reuse	Plant Security Process Control & Optimization	ISA Show Preview	Literature Review	
<b>October</b> Issue Closes 9/4 ◆									
Filtration Packaging for Transportation & Storage	Pressure Measurement & Control	Analyzers	Corrosion	Packaging for Transportation & Storage	Preventing Dust Explosions (EM)	Pressure Measurement & Control Analyzers	Chem Show Preview I	China Supplement	ISA Expo, October 6-8, Houston, TX WEFTEC, October 10-14, Orlando, FL SWE 2009 National Conference, Oct. 15-17, 2009, Long Beach, CA
<b>November</b> Issue Closes 10/7									
Piping Drying & Evaporation	Process Automation & Diagnostics	Spill Response	Tanks & Pressure Vessels	Drying & Evaporation	Spill Response	Process Automation & Diagnostics	Chem Show Preview II		53rd CHEM SHOW, November 17-19, New York, NY AIChE Annual Meeting, November 8-13, Nashville, TN
<b>December</b> Issue Closes 11/3									
Chemical & Engineering Software Heat Transfer	Drying	Level Measurement & Control	Control Valves	Screening (SP)	Water Treatment	Engineering Software Level Control Valves	Weftec Review Chem Show Review	Literature Review	POWER-GEN International, December 8-10, 2009, Las Vegas, NV
